#### 1. NABET Accreditation of the Environmental Consultants.

**It is observed that some Environmental Consultants do not have NABET Accreditation. However they have been allowed to act as consultants in view of stay orders given by the Hon'ble Calcutta High Court in the past. Recently the Hon'ble Supreme Court of India has ruled that a stay granted by any court in the country automatically expires in six months unless extended.**

**Therefore, it is decided that the matter may be referred to the Law Officer of Environment Department to give his considered opinion in this regard.**
